Oregon Grown Roses

The World's Best Roses

Available to you right here at home . . . No shipping problems, no pick-ups at the Express Station or Post Office, no money orders and no dried out plants . . . Each rose plant will be growing when you receive it, planted in a ball of specially prepared rose soil in our throw-away pots. It's the only way to buy roses . . . And remember, Oregon Grown Certified Roses have proven the best rose plants for Wichita and Kansas for many years . . . There are none better . . . If you live in Sedgwick County we will deliver them to your door at proper planting time or set them in your car here at the nursery and they don't have to be planted the day you get them . . . Just wait until you have ample time to set them out for they will continue to grow in the pots until planted . . . We like to sell you growing rose plants because there is almost no losses and advise you to wait to plant our rose plants until they are growing, BUT! DON'T WAIT TO ORDER!
